PASR-ENDORSED
VISION PLAN

¹ The United Concordia Dental Plan is underwritten by United Concordia Life and Health Insurance Company. The Plan is available to retirees who are members of PASR. You and your dependents are eligible to enroll in the Plan. Dependents include your spouse, unmarried children under age 19, unmarried dependent students under age 25 (if a full-time student at an accredited educational institution), or to any age if incapable of self-sustaining employment by reason of mental or physical disability and chiefly dependent upon you for maintenance and support.

² The listed percentages represent the portion of United Concordia's maximum allowable charge (MAC) for which the Plan will be responsible. The member will be responsible for the balance including any difference between United Concordia's MAC and the fee charged by a non-network dentist. Network dentists accept United Concordia's MAC as payment in full for covered services, limiting out-of-pocket costs to coinsurances, deductibles and amounts exceeding the annual maximum. United Concordia's standard exclusions and limitations apply.

Payment is limited to \$1,250 per person per contract year. Each contract year is from the effective date of your contract until the end of the 12th month after your effective date. Each contract year members are required to meet the first \$50 for services covered under the Class II and Class III Services categories, as indicated above. Class I Services are exempt from the deductible. There is only one deductible per person in a contract year.

³ Based on United Concordia internal research and reports, October 2005.
