### How do I find a Preferred Provider?

Visit the Davis Vision website at [www.davisvision.com](http://www.davisvision.com) - click on "MEMBER" and enter Client Code "7005" in the Open Enrollment Box or call toll-free 1-877-923-2847 and enter Client Control Number "7005" to find the names and locations of nearby optometrists, ophthalmologists and optical suppliers who participate in the Preferred Provider Network.

### Can I go to any eye care provider to receive Fashion Advantage benefits?

Although you can go to any eye care provider to receive benefits, you receive maximum benefits and savings when you use a Preferred Provider.

- You do not have to file a claim form when you use a Preferred Provider. There is no ID card or other paperwork necessary in this user-friendly process.
- If you use an out-of-network provider, you are responsible for the full payment at the time the service occurs. You must file your own claim form when receiving services out-of-network.
