Why Does PASR Endorse?

PASR endorses services and products as a value added benefit to its members. PASR does not receive financial compensation for any endorsement of any product or service.

The philosophy that has always governed PASR's endorsement of commercial products is "any financial benefits that might be derived from extending the association's name to endorse a commercial product must accrue to the individual members who elect to purchase the product, not to PASR." Our association does not solicit commissions or rebates from the companies it endorses and insists that such considerations be passed on to the individuals in the form of lower prices. In short, we only endorse as a way to provide an additional service to our membership.

Expenses related to marketing of the endorsed programs are typically paid by the companies and not by PASR. So, PASR's endorsements do not cost the association or its members. The endorsements offer our members opportunities to save—just another way your PASR membership works on your behalf.

If you have an idea for other membership service programs that PASR might explore or comments about any of the association's current endorsed programs, please contact:

Offered since 1991, the United Concordia dental services plan administered by PISI, is one of the most popular programs provided by PASR. The price of a single service without insurance makes this plan easily pay for itself.

Emergency Response System

Medical Alarm Concepts is a personal emergency response system provider. What makes this system unique is that this medical alert system allows you to speak and listen through the wearable pendant transmitter, called a MediPendant™. When the large button on the

pendant is pressed, a telephone call is made to an EMT-certified emergency operator. The operator will immediately dispatch medical personnel or a loved one to your location. They will also contact anyone whom you have listed on your custom call list.

PASR members

are offered a special discount off the monthly cost of the MediPendant™ PERS, which equates to less than \$1 a day to provide you or a loved one with peace of mind. Getting started is easy. No service contract is required, and the equipment is provided at no cost.

Also, Medical Alarm Concepts will provide participating PASR members with a door emergency lockbox free-of-charge. This device allows you to safely and securely store a key to your residence so that emergency personnel can gain access without breaking in and causing unnecessary damage to your home. For more details or to request a free detailed brochure, please call Medical Alarm Concepts at 1-800-262-4239.

Legal Assistance

In life, the unexpected happens. That's where Legal Access Plans, L.L.C. can help, by allowing you to make an informed decision and select the right attorney for your specific needs. Common issues such as wills and estate planning can easily make this program pay for itself. However, in today's litigious society, where even a minor fender bender can quickly escalate to a bigger issue, it is also important to know you can protect yourself against something major. This plan covers you, your spouse, eligible dependents, your parents, and even your spouse's parents! For more information, call 1-800-382-1352.

Long-Term Care and Final Expense Insurances

If you need home health care or care in an assisted living facility or a nursing home, the costs for this custodial care can

PROFESSIONAL
INSURANCE SERVICES, INC

easily approach \$60,000 a year or more! Most people cannot afford these continued expenses without some help. PASR has negotiated arrangements with some of the most highly rated and stable long-term care insurance companies to offer individualized plans so that members may choose the one that best suits their needs. PASR members can receive policy premium—discounts as high as 40 percent! Many of the companies offer a five to ten percent reduction in premium—just for being a member of PASR.

Final expense life insurance provides peace of mind that you've taken care of your final expenses so your loved ones won't have to. Families may need to make many important decisions following the death of a loved one. In addition to those decisions, funeral and burial expenses, debt balances and health care bills can quickly add up. Survivors may find themselves left in debt, on top of grieving for their lost loved one. PASR has partnered with PISI to bring you final expense life insurance, offered by "A rated" insurance companies, which features guaranteed level premiums for life, access to cash value in times of need, and easy application—no medical exam and a one-page application form. Take the steps now to plan for the future. For more information on either of these programs, call 1-800-382-1352.

Pet Insurance

You already "expect the unexpected" with your pets at home, but what about when it comes

to their vet bills? The truth is, unexpected vet bills happen more often than you think, and they cost you more than you would care to imagine. Petplan pet insurance can help. Petplan insurance helps you pay your unexpected vet bills so if your pets have an accident or become ill, your first thoughts can be about their care, not your budget. For more information, call PISI at 1-800-382-1352.
